These problems are due on Wednesday, September 9th in class, and will be graded on clarity of exposition as well as correctness. See the website for a more detailed description of the expectations. I encourage you to work in small groups, but what you hand in must be written in your own words. If you do work in a group, please write the names of all the members on your homework sheet.

The problem set this week is 1.34, 1.46, 1.50, 1.51, 2.4, 2.10, 2.21, 2.28, 2.35 from Chapters 1 and 2 of the book. Four of these problems will be graded carefully and worth 4 points each, and the remaining problems will be marked for completeness, worth 1 point each, for a total of 20 points.
