The U of I Chapter of the Association for Women in Mathematics presents

Girls Engaged in Math and Science Workshop: Adventures in Geometry

Saturdays, 1 – 3 pm
Orpheum Children's Science Museum

GEMS (Girls Engaged in Math and Science) fun activities and mathematical prizes, for girls in 6th through 9th grade. Each session is self-contained, and girls may register for as many sessions as they wish. This semester we will explore various areas of geometry. There is no registration fee.

Register at http://math.illinois.edu/gems

Session 1: Conic Sections
Date: Saturday, October 10, 2015

Session 2: Ruled Surfaces
Date: Saturday, October 17, 2015

Session 3: Surfaces of Revolution
Date: Saturday, October 24, 2015

This event is sponsored by the National Science Foundation and the Department of Mathematics and the Illinois Geometry Lab at the University of Illinois at Urbana-Champaign, and is organized by the Association for Women in Mathematics U of I Chapter.

For more information contact Michelle Delcourt at delcour2@illinois.edu or call Marci Blocher at (217) 333-5749.
