Discussion Session Information

Course:  Math 231, Calculus II, Discussion session ED8  
Time:  Tuesday and Thursday, 8:00 AM - 8:50 AM  
Location:  Room 441 Altgeld Hall  
Instructor:  Abdulla Eid  
Email: eid1@illinois.edu  
Office Hours:  By appointment.  

Pre-requisite  The pre-requisite for this course is Math 220 or Math 221 (calculus I or equivalent).  

Teaching:  The format of the discussion session will be an active learning style. You will need to work on the worksheets collaboratively in groups of 3–4. While you are working, I will circulate among to offer individual help. You should stay until you complete the worksheet. The worksheets will be collected at the end of the class and returned back graded to you next class. *Only* one worksheet from each group will be graded and the whole group gets the same grade so it is essential that you work well with your groupmates. Your lowest two worksheet scores will be dropped. If you have an emergency and need to skip some classes or exams, please contact the emergency dean (300 Turner Student Services Building, 610 East John St., phone: 217-333-0050).  

Online Homework:  The online homework is provided through WebAssign online homework system. Webassign is bundles with the textbook if you buy it from Illini bookstore or you can buy a separate access from http://www.webassign.net. After you created an account using your university email (@illinois.edu), you will need to access the online homework using the class key: **uiuc 4695 6377**.  

Grading:  
- Online Homeworks: 8%  
- Worksheets: 12%  
- Mid-term 1: 10%  
- Mid-term 2: 20%  
- Mid-term 3: 20%  
- Final: 30%  

1Refer to the course syllabus for general information about the lecture, the discussion sessions, exam dates, etc. 

http://go.illinois.edu/MATH231SPRING2012
Checking Your grade: You can check your scores in the worksheet and the exams in the department gradebook at [https://www-s.math.uiuc.edu/bluestem/grades.cgi](https://www-s.math.uiuc.edu/bluestem/grades.cgi).

Academic Integrity: Cheating is strictly prohibited and will result in serious consequences. In particular, cheating may result in an "F" for the course and be reported to both the student’s college and the Senate Committee on Student Discipline. Using of any outside materials, looking at another student’s exam or using cell phones might be consider as a cheating (whether or not you get benefit from it). For more information, refer to the student code (Article 4 part 1).

Disabilities: Students with disabilities who require reasonable accommodations to participate in this class should see me and contact DRES (www.disability.uiuc.edu) as soon as possible.

Tutoring and Help: Instead of the traditional office hour, there will be tutoring hours from Monday to Thursday from 4:00 pm till 7:50 pm, see the official website for the locations. In addition, private tutoring is available at [http://www.math.illinois.edu/UndergraduateProgram/tutoring.html](http://www.math.illinois.edu/UndergraduateProgram/tutoring.html).

The Classroom Decorum: The classroom environement should be conductive to learning by all. please no chit-chat talks during the class. Cell phones should be turned off and put away during the class.
