Instructor: Jozef SKOKAN
Office: 227 Illini Hall, Tel: (217) 265 - 5036
e-mail: jozef@math.uiuc.edu
www: http://www.math.uiuc.edu/~jozef/math130/
Office hours: TBA
Class: MWF 2pm - 2:50pm 152 Henry Bldg.

Course content: We are going to cover chapters 7 to 11 of the textbook.

Homework: There will be regular homework assignments each week. You may discuss homework problems with your friends/instructor, look it up on the web or in a book. However, you have to write down the solution by yourself. Copying the solution from any external source to your homework is considered cheating!

Quizzes: A short quiz will be given each Wednesday. Since I will drop the two lowest quiz scores, there will be NO MAKE-UPS.

Tests: There will be three 1-hour tests. All tests will be closed-book. Make-up tests will be given only in extreme circumstances, and only if I am aware of the circumstances prior to the test. Calculators are prohibited for each test and the final.

Final Exam: Final exam will be comprehensive and in class. Only a dean in your college can excuse you from the final examination.

Grading: Grades will be based on homework, tests, quizzes, and the final exam.

- Quizzes: 16%
- Three best scores from 3 tests and homework: 54%
- Final exam: 30%

Tests dates (tentative): Wednesday, Sep. 19, Friday, Oct. 26, Friday, Nov. 30

Final Exam Date: Saturday, December 15, 1:30pm - 4:30pm

This date and time CANNOT be changed.

Note: Students with learning disabilities or needing special attention (e.g. extra time for tests), should see me as soon as possible. It is important that I am aware of your special needs from the very beginning of the session.

GOOD LUCK TO ALL OF YOU!
