Homework Assignment 10

This homework will NOT be collected. (But PLEASE do the questions!)

Section and problem numbers are from the course textbook:

Hand In:

- **Section 9.4 # 10.**
- **Section 9.5 # 2, 11, 17** (this problem shows, in particular, how to deal with non-zero boundary conditions $u(0, t) = A, u(L, t) = B (A \neq B)$).
