Math 402 Journals and Participation

(1) How many of the 13 journal entries did you complete?

(2) How many of the journal entries that you completed were late (completed after the due date/time listed on the web page)? Briefly explain why.

(3) How carefully did you attempt to write your thoughts down? Are your entries legible and intelligible?

(4) Please list any excused absences that affected your journal entries.

(5) Based on your answers to the above questions, what total grade do you feel that you deserve for your journals?
