1. Visit your email account and open the link to the poll I sent you. Then, based on your schedule, choose all times that work for you. (1.5 Points)

2. Fill in the blanks: (2 Points - 0.5 each)

   (a) Every day you get a grade out of ___ which splits into ___ for attendance ___ for preparation and ___ for participation.
   (b) You can use electronic devices only after ____________________________.
   (c) You will lose ___ points if you come 8 minutes late to class.
   (d) In case you have any questions for me you can either visit me in my office in ___ Altgeld Hall or send me an email to my email address ____________________.

3. True or False? (6.5 Points - 0.5 each)

   (a) There is always a 10 minute break in class
   (b) I will not answer your questions directly
   (c) You can work on web-assign problems in class
   (d) You will lose points if your worksheet is incomplete
   (e) You can use your calculator whenever you see fit
   (f) You have to learn to think critically and solve complex problems
   (g) You can leave the class as soon as you finished your worksheet
   (h) The mock exam is a very close copy of the actual midterm
   (i) If you are missing a class you have to contact me before you miss the class
   (j) You need at least a B in Math 231 in order to participate in a Merit section again
   (k) There is no need to study in a Merit section because the longer class makes up for it
   (l) Showing up to office hour can help you get some extra points
   (m) Worksheets are 12% of your Math 199 grade
