Name (or Nickname): ___________________________                              Section: ____

Major (best guess if undecided):______________________________

I like to learn by (Check all that apply):

☐ Drawing Pictures     ☐ Writing
☐ Talking to others    ☐ Working on a team
☐ Thinking quietly     ☐ Working by myself
☐ Reading             ☐ Other: __________________________

How many classes are you taking this semester? Are there any in your major? Which ones?

How many hours per week do you plan on spending preparing for class (homework, reading notes, studying for quizzes, attending office hours)?

Do you have other responsibilities outside of school (i.e. job, sports team, etc.)?

One time I felt confident in math class was...

My favorite math related experience was…My least favorite math related experience was…

My concerns about this class are...

My goals for this semester are...

Outside of class I enjoy...

Something else I think you should know about me is...
